

**NEW!**

//RIGID SIGN COVER//

## THE NEWEST INNOVATIVE RIGID TO ROLL-UP/ CHANGEABLE SPEED LIMIT SIGN COVER

The 2009 MUTCD, Section 2C.02 states:

*"...the warning sign should be removed or covered when the condition or activity does not exist."*

- Changeable speed limit sign printed on standard reflective material
- Fits aluminum signs ranging from .08" to .125"
- Securely attaches with EPDM rubber DuraLatch® strap
- No ladder or truck needed for easy installation. Includes adapter that easily attaches to the threaded end of any standard extension pole.
- Rolls up and secures with hook and loop for easy storage
- Also available in black to cover signs when not in use (i.e. speed limit, parking, etc.)

For use with all common sign sizes:

- ◆ 48" x 60"
- ◆ 36" x 48"
- ◆ 24" x 30"
- ◆ 18" x 24"
- ◆ Custom sizes are also available

Available as a changeable speed limit signface or a black sign cover.
