

# SNOW PLOW BLADE PROTECTORS

**AR STYLE—IDEAL FOR STEEL PLOW BLADES**

## Benefits of Ironhawk Blade Protectors

**Reduced Maintenance Costs**  
Blade Protectors are designed to protect plow blades and to extend plow blade life.

Corner guards protect blade ends, while straight guards can be installed anywhere on the plow blade.

**Reduced Blade changes**  
Plow guards are designed to increase plow blade life. The longer your blades last, the more money you save on materials and labor Full 4" of blade protection.

Ideal for protecting 8" steel blades

**Blade Adaptable**  
Blade Protectors can be used with steel, carbide, and rubber plow blades. Can be installed on Front & Wing style plows
